Internet Resources

The *Legal Information Institute* from Cornell Law School provides a variety of web pages related to IP law at: http://www.law.cornell.edu/wex/intellectual_property. There are links to federal and state cases, statutes, and treaties related to copyright, patent and trademark law.

Intellectual Property Links, at: <http://www.ip-links.de/> This site has a wide variety of international links, including those for many country patent offices and official registers and databases.

The United States Patent and Trademark Office provides information on how to file and search patents, <http://www.uspto.gov/main/patents.htm> and trademarks <http://www.uspto.gov/trademarks/>. The Copyright Office also provides a searchable database at: <http://www.copyright.gov/records/>.

University of Toledo provides a libguide to intellectual property that has links to federal resources, news updates and print resources. It is available at: <http://libguides.utoledo.edu/content.php?pid=102028&sid=767445>

University of Texas patent and trademarks guide at: <http://www.lib.utexas.edu/engin/patent/index.html> provides links to databases and tutorials on searching.

World Intellectual Property Organization at: <http://www.wipo.int/wipolex/en/> is a United Nations agency that provides a full text searchable database of worldwide laws and treaties on IP law. It also provides news updates related to IP law changes.

“A new and valid idea is worth more than a regiment and fewer men can furnish the former than can command the latter.”
